

Gruppeopgave

What's new – Server 2012 R2?

Hver gruppe skal læse / gennemgå 5 emner på listen over **What's new – Server 2012 R2** hjemmesiden, lave et PowerPoint eller lignende og fremlægge/præsentere deres 3 - 5 emner for resten af holdet!

Fremlæggelsen skal være på max. 10 minutter, dvs. 2 minutter per emne.

Fremlæggelsen starter kl. 13.45 – lige efter pausen. Gruppe 1 begynder, så 2 osv.

Normalt har man til korte præsentationer ca. en PowerPoint side per minut, dvs. i skal regne med at have 5 – 10 sider i præsentationen – maks! ☺

Hjemmesiden er her:

Find jeres emner, gennemgå dem, diskuter dem og lav en kort præsentation!

Stikord til præsentationen af hvert enkelt emne:

Hvad er det for en teknologi - og hvad skal det bruges til?
